Re: Buildings and Grounds Meeting

Present: Jack, Cheryl, Ann, Gina, Agata and Vassie

Sexton

Agata had Green Mountain Plumbing and Heating come to turn on the furnace since it would not turn on. They discovered there was an air leak. Jack mentioned that we usually have Dead River take care of the furnace in the Sanctuary.

The meditation room is still overheating. Jack will call Green Mountain to replace a valve.

There is a light out near the library. Agata said they have replaced it three times. Jack will call Jason . Jack will also ask Jason about installing a motion detector light as you enter the vestibule by the upper level of the lift. A light is out in the Sanctuary and Jack will ask Radec to replace that light.

Agata will call to have the furnace cleaned in the Parsonage.

Review of Minutes

Old Business

Organizing for Clean Up Day!

Gina and Vassie will be working on the 14th for a couple of hours. We have changed the day from the 17th to the 24th . We will need lots of help on the 24th . Gina will notify Geraldine of the change.

New Business

Gina will contact our insurance company, regarding liability coverage, that we now have a playground set and a trash cottage. Jack Nelson and Gina Auriema from the B&G committee are authorized to speak with the insurance company on behalf of NUCS.

Katrin

Buildings and Grounds would like to recognize and thank Katrin for all of her years of service both on the Buildings and Grounds committee but also for so much help in the gardens. She may appear, like a sprite, in the gardens when we least expect it. Thank you, Katrin.

New Members –

B&G needs new members. We have lost 2 members and need to, at least, replace them. Gina has a couple of folks in mind that she will be contacting. Gina will also reach out to the nominating committee for assistance.

Committees

Gina and Anne Dean have started a conversation on the creation of one Grounds committee that will be in charge of all the grounds including the permaculture garden.

Next meeting will be in the Nursery School at 5:30 on November 3rd, 2015.

Sincerely,

Cheryl Brush
