

Building & Grounds Committee Meeting: May 5, 2015

Present:

Gina, Ann, Donna, Cheryl and Katrin

SEXTON

Vent Pipe on Sanctuary Roof

The pipe fell inside the roof and allowed moisture to get inside. Radec put a pvc pipe on instead and this may hold better.

Porch

Radec will screw in the loose boards, fix spots, lightly sand and paint prior to June 6th.

Floor in the Social Hall and Kitchen

Radec and Agata waxed and buffed the floor – they look lovely – thank you.

Lawn Mower

Cheryl will periodically stop in and see how the mower is doing at Charlie Brown's.

Kitchen

We are still working on making sure we have no more ants in the kitchen.

Broken Pew and Bathroom wall in the Sanctuary

Radec is working on making sure these are in good shape for the June 6th wedding.

GUTTER

Robin Kempson asked if anyone had thought to get a permit for the installation of the gutter. Donna is going to check with the town. We may need a drawing from Robin so that the Town can see what he is planning to do.

PINE TREE REMOVAL

Since the tree has come down, Geraldine has too much sunshine. Gina will buy the same kind of wood slat blind, that we have in the library, for the office.

CHAIR CLEANING IN THE SOCIAL HALL

Ann, Cheryl and Fran will be cleaning the chairs in the very near future.

VENTS IN THE KITCHEN

Vassie cleaned, degreased and purchased new filters for the vents above the stove.

BUILDINGS AND GROUNDS IS REQUESTING

Donna would like to have baskets for rolls and bread as well as nice pitchers for water/juice for our dinners. We seem to be needing quite a few.

LABYRINTH

Norwood is concerned that since he and Joanna can no longer care for the labyrinth that it will just be overgrown. We are discussing possibilities of how to help.

FOUNDATION OF THE SANCTUARY

Cheryl felt strongly that we need to have some pointing done on the driveway side of the Sanctuary. We also need to have someone replace the rotten wood on the kitchen window on the Parsonage side.

OIL CONTRACT

Now is the time for the contract. Jack will you be handling this?

CLEAN UP DAY – May 9th – 10-2 !

Please help – we need to accomplish quite a lot !

GARBAGE/RECYCLING

Gina will be checking out the cost of rubbish in the dumpster versus in bins.

Cheryl has been checking out garden/wood sheds at the Carriage Shed in White River Junction. They have a last year's model for \$1890 – 6' X 8' – 3 sided which would give us plenty of room to add recycling and /or garden tools etc. Katrin suggested using some of the money left in the Memorial Garden Fund since everything would look so much more beautiful in the back yard with the removal of the dumpster. We will need to think of ways to raise the rest of the money if we go forward.

The next meeting will be June 2nd at 6:30 in the Social Hall.

Sincerely,

Cheryl Brush
