Sunday Communications - Pledge Drive: Marcia mentioned maybe continuing of message even through different ministers. Deb - maybe a speak chorus. Deb suggests we write something and see what sticks "Why pledge?"

Week that we need to speak to be confirmed. Geraldine emailed Rick F to make sure they are still needing speakers.

Update: 11/8 - They have enough speakers for now but will keep us as back up in case of cancellation.

Generic Concert Sign: 24 x 36 white sign. Called the sign company and found out what we needed to order - created the template and ordered sign accordingly.
