In answering the Board's question about having long term members perhaps drop from a committee, we agreed that we welcome new members but would prefer those who wish to stay on to do so. It's particularly important for our committee because those who have served the longest (Ann, Pru, Fran) and also Joan, know members who are considerably older.

We went through the directory which we do annually, noticing who hasn't been seen in church lately. We distributed names to make phone calls or write notes. This will be accomplished within the next two weeks.

Respectfully submitted,

Sherry
