

## RESOURCES DEVELOPMENT COMMITTEE REPORT - October 15, 2015

With the departure of Mary Hawkins from the committee in August reducing our numbers to three, we have not had any formal committee meetings, although we did have training for the congregational visits on August 27. As the Board is aware, **there is crucial need for new committee members** especially since the two remaining besides me, Jack Nelson and Deb Rice, have other pressing responsibilities within North Chapel. And I am moving to Keene sometime late in 2015 or early 2016 and will resign from the committee at the conclusion of the Pledge Drive.

The Pledge Drive is underway with all board members except one having made their pledges. All on the RDC have pledged. I will continue to monitor Pledge Drive progress with Ann Wynia and report to the board and congregation on a regular basis. Richard and I remain available to answer any questions or address any concerns board members may have as you proceed with your visits.

**Board action/assistance is needed as we now move to send thank you notes to all who have pledged.** Please let me know who among you will write notes, and I will make assignments as names come in.
