

SE (formerly RE) committee meeting
Sunday, January 10, 2016 @ coffee hour
Present: Ariel Brewer, Geraldine Fowler, Ben Fox, Naomi Malik,
Shoshana Belisle, Hope Yeager, Jess Stout.

Ariel called the meeting to order by making the suggestion that the committee change its name to Spiritual Exploration for Children and Families. Those present voted unanimously to do so, and the acronym SE will be used.

Hope agreed to be secretary and took minutes until she left for the community meeting.

Ben will be transitioning to working at Artistree and doing fewer Sundays as SE instructor. Angel and Ariel said they would each cover a Sunday. Ben asked that scheduling be fluid so that he is freed up to do other duties within the church.

OWL Q&A will be held on Feb. 7th. This will be about the OWL program in general but also specifically for parents of children in grades 4-6. Ultan Doyle and Jenny Beaudin have been trained to teach the OWL program for this age group. They have previous experience teaching the OWL program for grades 7-9 at the Montpelier UU church.

It was brought up that having kids go to Artistree once per month might be logistically difficult for some parents. Further discussion needs to be had on the subject.
